# Enhanced Banking Services Coming Soon!

Red River State Bank is upgrading your banking experience.

**COMING FEBRUARY 9, 2026!**

## **New Online Banking**

Starting February 9, register on the new online banking system from our website, [www.redriverbank.com](http://www.redriverbank.com). You will be prompted to create a new password.

\*Bill pay will be temporarily disabled on February 2. You will need to contact any vendors that would normally receive a payment between Feb 2 - Feb 9 and make alternative arrangements for payment. You will be able to set up new online payments in the new system starting February 9.

## **New Mobile Banking**

Starting February 9, delete your previous banking app and download the new app from your phone's app store. With our new app, you can do all of your everyday banking activities on your phone including view account balances, deposit checks, and see transaction details.

**Thank you for being a valued customer!**
